HARVEST MONTH

Predict Apple Harvest Timing?

EPISODE #8

DATA IN ACTION

Weather | Bloom | Growth

02

HERE'S HOW

Orchard teams analyze:

Weather patterns

Bloom timing

Fruit growth

03

WHAT IT REVEALS

TDeitche
Analytics

The data can reveal:

Ripeness windows

Peak harvest timing

Yield expectations

04

TAKING ACTION

TDeitche
Analytics

Orchards can:

Schedule picking crews

Prepare storage

Plan distribution

05

THE TAKEAWAY

TDeitche
Analytics

Good data
helps orchards
harvest apples
at the right time.

Better insights. Better decisions.

EPISODE #8

06

YOUR TURN

TDeitche
Analytics

What's your favorite apple variety?

Honeycrisp, Gala, Fuji,
or something else?
