WHAT CAN DATA DO?

TDeitche Analytics

FALL OPERATIONS

Plan Fall Leaf Collection Routes?

EPISODE #15

DATA IN ACTION

Routes | Volume | Weather

TDeitche Analytics

02

HERE'S HOW

Public works teams analyze:

- Collection history
- Route data
- Weather patterns

TDeitche Analytics

03 WHAT IT REVEALS

The data can reveal:

- High-volume areas
- Collection weeks
- Route bottlenecks

04

TAKING ACTION

TDeitche Analytics

These insights help:

- Adjust routes
- Schedule crews
- Allocate equipment

05

THE TAKEAWAY

TDeitche Analytics

Good data helps:

Public works streamline seasonal cleanup.

BETTER INSIGHTS → **BETTER DECISIONS**

06

YOUR TURN

What do you do with your fall leaves?

Mulch, bag, leave them, or something else?
